EDUCATION

- ❖ B.E. Computer Science & Engineering (AI & ML) | VSM's S.R.K Institute of Engineering and Technology, Nipani
CGPA: 8.93 | (Dec 2022 – May 2026)
- ❖ XII (PUC) | GI Bagewadi PU College, Nipani
Percentage: 83.50% | 2022
- ❖ X (SSLC) | K.L.E. Society's English Medium High School, Nipani
Percentage: 83.52% | 2020

TECHNICAL SKILLS

- ❖ **Languages:** Python, JavaScript (Basic)
- ❖ **Data Tools:** Power BI, Pandas, NumPy, Matplotlib, Scikit-learn, TensorFlow
- ❖ **Development:** HTML, CSS, React.js, Tailwind CSS, MySQL, Node.js
- ❖ **Version Control:** Git, GitHub

EXPERIENCE

- ❖ **Full-Stack Python Developer Intern | XCEL Corp (USA)** (Jul 2025 – Aug 2025)
Completed a Full Stack Python internship, building and enhancing dynamic web applications using HTML5, CSS3, JavaScript, MySQL, Python, and Django, while gaining hands-on experience across both front-end and back-end development.
- ❖ **Python Programming Intern | InternPe | Remote** (Aug 2025)
Assisted in developing, testing, and optimizing Python-based applications, collaborated on writing efficient code, debugging issues, and applying problem-solving techniques to improve overall system functionality.

ACADEMIC PROJECTS

- ❖ **Supply Chain Transparency – Blockchain (Pharma)**
Developed a blockchain-based platform using React.js, Tailwind CSS, and Node.js to securely track pharmaceutical products and ensure end-to-end supply chain transparency.
- ❖ **DigitalDoctor – Medical AI Assistant**
Built an AI-driven medical assistant using React.js, Tailwind CSS, and Node.js, integrating NLP models for symptom analysis and real-time health guidance.
- ❖ **Personal Portfolio Website**
Created a responsive personal portfolio using React.js, Tailwind CSS, and Node.js, showcasing projects and skills with optimized UI/UX and performance.

ACHIEVEMENTS

- ❖ Achieved university ranking 4 times, including securing 10th rank in the 4th semester.
- ❖ Recognized for strong performance in core technical subjects across semesters.
- ❖ Participated in 5+ hackathons contributing to innovative tech solutions.
